# Welcome to the Trattoria

**In our Trattoria we'll treat you to classic Italian cooking. And we keep strictly to the original recipes and use original Italian products as far as possible.**

All dishes are freshly prepared for you. Please understand that when we are busy serving many guests it is unavoidable that you will have to wait some time. All our dishes are also available for pre-ordering and takeaway. When preparing the dishes, we partly use allergenic ingredients when cooking.

Our trained service team will be happy to provide you with more information about this.

*Enjoy your meal*
